GRAND BORDEAUX DEPUIS 1932

CHÂTEAU DE BEAUCASTEL

« HOMMAGE À JACQUES PERRIN »

Châteauneuf-du-Pape

Starting in the end of the 1980's, conditions were so favorable that the Perrin family decided to make a special cuvée in honor of their father, "Hommage à Jacques Perrin".

A prestigious ambassador to the Chateauneuf-du-Pape appellation, Château de Beaucastel is truly a story of family heritage. The estate's signature blend is determined, vintage after vintage, by an annual assemblage of the Perrin family. The estate's Hommage à Jacques Perrin is one of those very rare and ultra-premium cuvees considered one of the best in the world, regularly awarded the highest honours by some of the most famous critics in the world of wine

VINEYARD:

Varietals: 100% Mourvèdre

The ground at Beaucastel is marked by the violence wrought by the Rhone river. It consists of a layer of marine molasses (sandstone) of the Miocene period, covered by alpine alluvium. The presence in this topsoil of a great number of rounded stones, known as "galets", bears evidence of the time when the Rhone, then a torrent, tore fragments of rock from the Alps and deposited them along its course.

WINEMAKING:

Harvest :100% by hand

The harvest, which is hand-picked, is carefully sorted at the cellar and only the best grapes are vinified. After total de-stemming, grapes go into fermentation vats where they undergo a traditional vinification.

Bottling: at the Château

TASTING NOTES:

Deep black-ruby colour with intense purple overtones.

Profound aromas of cherry, cassis, spice, leather and game, with an almost medicinal aspect.

The mouth is very sweet on entry, then firm and closed, yet extremely concentrated on the finish.

A wine to be kept for your retirement.
