CHÂTEAU GUILLEBOT PLAISANCE

Bordeaux A.O.C

Château Guillebot Plaisance belongs to the Villeneuve family since 6 generation now and is located in the village of Targon in the heart of the "Entre Deux Mers". The particular "micro-climate" of the region (located between the Dordogne and the Garonne river) brings the perfect condition to produce some of the best Bordeaux Red AOC. Guillebot Plaisance Rouge is a perfect example of a wonderful Bordeaux AOC which regularly receive awards in different wine contests.

VINEYARD:

- Varietals : 80% Merlot, 20% Cabernet Franc
- Soils : clay & limestone
- Size of the vineyard : 20 ha
- Age of the vine : 35 years
- Planting density : 3300 hl/ha
- Average Yield : 48 hl/ha
- Harvest : by machine

WINEMAKING:

- Vinification : in stainless steel vats with temperature control.
Alcoholic fermentation during 2/3 weeks to extract the best potential of the grapes.
- Ageing : 12 month 50% in vats, 50% in oak barrel
- Bottling : at the Château

TASTING NOTES:

Dark colour and juicy nose. Velvety mouth. Ripe and fresh fruit with soft tannins backing up nicely the fruit and gives the wine a good long and elegant finish. This more modern vinification makes the wine very charming in its youth and gives it an ageing potential of 3-7 years.
